Module – 1

- Introduction of 3form & History
- Product platform
 - Varia Product
 - PETG
 - Polycarbonate
 - Cast
 - HDPE
 - Glass & Stone
- Product Application & Projects
- You Create
- Hardware

Module – 2

- Samples
- Shapes
- Possibility & Limitations
- FAQ
- Hardware & Simple Fabrication
- Fabrication
- Drawings Quotes & Online Assistance

Ceiling

Module – 1

- Introduction of Ceiling
- Product Variant
 - Tile Ceiling
 - Linear Ceiling
 - Wide panel Ceiling
 - Cell Ceiling
- Product Application & Measurement
- Luxalon – Colors & Coating
- Care & Maintenance

Module – 2

- Product basics – Techstyle
- Open Ceiling System / Baffle Ceiling
- Custom Design
 - Design details
 - Working on drawings..
 - Limitations
- Measurement / Installations
- Application & Costing
- Order Processing

Cladding & Solar Shading

Level -1

Introduction to Cladding & Solar Shading products
Product Range Claddings
Product Range Solar Shadings
Introduction to Terracotta claddings
Energy Tool
Specification
ASG Department

Level -2

Quadra clad Ventilated façade concept
Installation of Cladding and Louvre systems
Motorisation and Automation of Sun-control systems
Sliding Shutters introduction
Special designs Cladding and Solar shadings
Specification and Securing Mega projects.

Window Fashions

Module – 1

Window Basics
Window fashions for Planet home
Product basis –
